

## **GROWING UP GREEN CHARTER SCHOOL BOARD MEETING**

**Board Meeting Date: Tuesday, February 12<sup>th</sup>, 2019**

**Location: Growing Up Green Charter School (Elementary School)**

**Commencement Time: 7pm**

**In attendance:** Matthew Greenberg, Gina Palma, Nancy Wong, Aris Colgan, Kate McGrath, Nabiha Yusufali, Anne Levonen, Kate Hooker, Kathryn Klingenstein, Anita Amoh and Aramis Grant

### **GUG II**

#### **Financials**

Anita presented GUG II Financials. We are doing well in all sectors. There were some provisions that we needed to make: administrative expenses are over because of equipment lease, and we also had to change our fire alarms. We are also over budget for professional services because of paraprofessional needs.

#### **School News**

Aris and Nancy spoke on GUG II School News. We hired two new faculty members this week: a new fourth grade teacher and a new counseling member. We are also looking forward to our first fourth grade overnight trip in between in April between ELA and State Testing.

We had our Winter Family Event on Saturday, February 9th. Within it, we had a winter clothing swap, a major part of sustainability initiatives. This Friday, February 15, we have our first all school assembly. Every grade will present in commemoration of Black History Month.

Our next Saturday event is April 13th and that will be an Earth Day based event. We hope Board Members can join if they are available.

Matthew ended the meeting by reminding the board about newsletters that are coming within the next couple of weeks that talk about school events.
