

## **Growing Up Green Charter School I**

Board Meeting - March 13, 2018

In Attendance : Matthew Greenberg, Gina Palma, Kate Hooker, Ira Greenberg, Kathryn Klingenstein, Krista Hayden, Preethi Krishnamurthy

GUG1

Financials:

- Gina Palma walked the board through the financial reports for last month and said the numbers were trending pretty much the same from last year. Even with overages, Gina explained that the school has a healthy net income and that cash in the bank was strong and will remain strong by the end of the year. Week-by-week, Gina and Matthew said they make sure that the school numbers remain strong. Both Gina and Matthew then answered questions from the board about cash balances.

Middle School High School Placement:

- Matthew then introduced Krista Hayden (Middle School Counselor) to the board and Krista gave the board a quick overview of her role at Growing Up Green. Krista talked the board through the high school application process which involves applications, and interviews. Krista also went through all the high school processes for each grade and what each student was to expect. Krista then presented the list of high schools that 8th graders were accepted into during the first round of applications. The board then congratulated Krista on her hard work at Growing Up Green Middle School.
