GUGCS II Meeting:

Kate moved to open the meeting, Jeff seconded.

Matthew updated the Board on the application process for the second school, and reported that we have received 800 applications for 50+ seats for year 1. He also told the board about the open house that had taken place the previous night, and 2 more upcoming open houses, which together generated excitement in the community. He touched on the progress of staffing GUGII, which will include finding UPK teachers. Matthew also updated the board on the lease negotiations for the space, and explained that he and Cliff Schneider expected to receive a final draft the next day.

With nothing further to discuss.

Kate moved to adjourn the meeting and Jeff seconded.
