

## **GUG Board Meetings**

September 26th, 7:30pm

### **GUGII**

In attendance: Matthew Greenberg, Anne Levonen.

On phone: Kate Hooker, Gina Palma, Aramis Grant, Anita Amoh, Aris Colgan.

The GUGII Board Meeting was begun at 7:30pm and the meeting began with a financials report.

#### **Financials**

Anita Amoh was introduced to the Board and those conferencing in. Ms. Amoh told the Board that she has a BA in accounting and that she has worked in finance in multiple schools over the past four years and that she has just joined the GUGII team.

Matthew spoke about Anita's experience at CSBM and how she was joining the GUGII team. He said that hiring Anita was an investment for the school and that CSBM wouldn't be playing such a huge role with GUGII anymore.

Anita went through the Financials report with the Board and said that the SPED per-pupil revenue was projected to be higher than originally anticipated in the budget due to a higher SPED population at GUGII. She also said that Title II funding allocations approved by NYS were higher than anticipated in the budget.

Salaries were overbudget due to additional positions filled that were not in the original budget, and a staffing fee also took the budget over.

After financials, Matthew mentioned that the next meeting would take place at GUGII and he hoped everyone could make it to the meeting next month.

The meeting was then called to a close by Matthew Greenberg.
